How can you help?

Christ Church is a “Host Parish” for Ukrainian Refugees.

This means we have a proper system and trusted partners so that you can be a volunteer offering space in your home, food, language, transport, finance and many other things, confident that your efforts are part of a local “big picture” and support will be available to you the whole time.

We are working alongside Citizens UK, a charity which has experience of receiving refugees and matching them with UK hosts and helpers.

To ask any questions, or to volunteer, please contact us via the Church (01206 542307, christ-church-vestry@btconnect.com) or via Brian Taylor (07802 615111, briantaylor@aspects.net)
