

PCC Bulletin July 2022

Lakeland here I come
Your Parochial Church Council met on July
20th. Ann Lindsay was thanked for her service
as she is moving to the Lake District. Lucky Ann!

X marks the spot

Following the consultation about the design of the cross to be
positioned outside the church, there is enough support to carry on.
The two proposed designs are on this noticeboard.

Going Green

Christ eco Church has received a gold medal for our garden and has
received encouragement from Essex Wildlife Trust. Our garden lacks
water so will it be a birdbath, a pond, the Niagara Falls; who knows?

A scar on our Society

Christ Church is now affiliated to the Anti-Poverty Charter which is
displayed next to this bulletin. What can you do about a growing
desperate problem for many of our citizens?

TWAM!

Not the latest rockstar creation but Tools with a Mission. Unwanted
but serviceable tools are sent to Africa. They will feature for our
Harvest contributions which is on 25 September at 10.30am.

From Ukraine to Colchester

Svetlana has already arrived and has attended church. Our other
hosts are still waiting for all the family to get permissions to travel.
We await action from the Home Office. Keep praying.

The Grand Finale

Rev. Paul's last hurrah is on September 11 at 10.30am followed by
lunch. See you there.
