## **Prayers**

**Focus for Prayer:** Father God, thank you for teachers, may they feel valued, honoured, and greatly appreciated for all that they do each day. We pray that there will be good relationships established between teachers, students and parents. We pray that students will understand their teachers' desire to see them grow in their unique talents and skills. Amen

**Pastoral Group Prayers** Please pray for Eric Berhardt, Judith Budge, Jill Dyer and Molly Whitehead

**Just One Thing:** Plant spring bulbs now! Some of the earliest flowers are spring bulbs – as well as bringing hope and joy as winter gives way to spring, flowers such as snowdrops and crocus are vital early food sources for bumblebees and other pollinators as they come out of hibernation
