Prayers

Focus for Prayer: Father God, help me to be an encouragement to others. When they stumble, help me to be the arms to lift them up. When they need encouragement, help me to be the one to offer them solace. Amen.

Pastoral Group Prayers Please pray for Jennifer & Robert Bartholomew, Delia & Tony Bloom and Val Saunders

Just One Thing: Male frogs often spend winter in the muddy depths of ponds, breathing through their skin. But if the pond freezes over, gases caused by decaying plant material can get trapped and poison them. Remove debris from ponds now, and float a tennis or golf ball on the surface to prevent ice from sealing it.
