## Prayers

**Focus for Prayer:** Loving God, we pray for our world. We thank you for the abundance of food that you have provided. Help us to share generously with those who are not able to feed themselves and their families. We pray for the Foodbank, those who give time, food and money and for those who need to receive from it.

**Pastoral Group Prayers** Please pray for Susan Cartwright, Chris Copus Mary Orriss, Brenda Pearce-Higgins and Pat Prestney

**Just One Thing:** Provide water in the garden – a shallow bowl on the ground is ideal for insects, birds and hedgehogs. Keep it fresh and clean to reduce the spread of infections such as bird flu. Adding water to the garden is one of the most helpful things we can do for nature!
