## Newsletter: 30<sup>th</sup> April 2024

*We have produced this newsletter for residents living close to Christ Church and for the community groups who use our building.*

*We look forward to welcoming you!*

*A big thank you to everyone who helped turn our vision into reality by attending our fundraising events or donating to our appeal.*

### **Building for the Future: Christ Church Community Project**

*Our extended & up-dated building, with fit-for-purpose facilities is now available for use by the church and the wider community.*

We experienced one of the wettest winters on record and uncovered unforeseen repairs, but thanks to our builders, Lexden Contracts, work was completed on time and we were able to celebrate Good Friday and Easter, as planned.

There was no escaping the disruption for our immediate neighbours during building works, including additional on road parking whilst our car park was closed. Thank you for your patience!

P.T.O

*We would love you to join us to celebrate the completion of the building project*

*And as we pause to celebrate what has already been completed, we have plans to keep investing in our building and our community:*

- Installing solar panels on the roof, part of our EcoChurch project increasing building sustainability
- Providing fit-for-purpose accommodation for Christchurch Preschool by refurbishing the rooms they use
- Providing covered bicycle storage within the car park, encouraging alternative travel options.

*So community fundraising will continue .....*

For information or suggestions about future events,  
please see our website [www.colchesterchristchurch.org.uk](http://www.colchesterchristchurch.org.uk)  
or email the church office [christ-church-vestry@btconnect.com](mailto:christ-church-vestry@btconnect.com)
