We extend a warm welcome to everyone

Our Sunday services are being held in person in church and will be streamed live to our Facebook page at 9.30 am.

Giving is an important part of our worship. Did you know, one of the easiest way to give is by using the Parish Giving Scheme?

Prayers

Focus for Prayer: Help me, God, to remember that my life is a gift, that my health is a blessing, that this new day is filled with awesome potential. Help me, God, to remember to be kind and patient to the people who love me. Teach me to see all the beauty that I so often ignore, and to listen to the silent longing of my own soul. Help me, God, to remember You. Amen

Pastoral Group Prayers Please pray for Michael Beattie, Kate Clifton, Rosemary Currell, Karen Farrar, May Macaskill and Marjorie Smith

Just One Thing: Keep bird baths clean and well filled. As migrant birds pass through on their autumn journeys south, good hygiene reduces risks of infections spreading, such as lethal bird flu. Look out bird feeders and check they are also clean.
