Focus for Prayer: Stir us, Lord Jesus, to take those actions you are calling us to. Help us to hear you when we pray, and to be trusting and obedient so that we can follow your lead. Encourage us as we set aside times to be with you this summer. In Jesus' name, Amen.

Pastoral Group Prayers Please pray for Toni + Clive Joyce and Carolyn Munson

Just One Thing: Looking for environmentally friendly activities and days out this summer? Here are some inexpensive ideas to get you started, with or without children to help you!

Things to do at home or in the garden - *check any risks before you start, especially if children are involved. Remember to wash hands before eating if you are handling plants or soil.*

3. Make a picnic! Sandwiches you make together then eat outside, especially sitting on a rug, taste good! Make teatime special for children by moving it into a shady place or even better, their den. Even more amazing if you are eating food such as salads, you have grown yourselves.
